July ADULT GRAB & GO CRAFT

ADVENTURE ART CANVAS

STEP 1

- Cut out your Mountain Templates.

STEP 2

- Lay your Mountain Templates on your map and cut them out.

STEP 3

- Glue the map mountains to the top of the matching Mountain Background Templates, leaving an orange border showing around the edge
- Cut out the new mountains with the orange border

STEP 6

- Apply a medium layer of modge podge to your canvas using your sponge brush.

STEP 5

- For a splash of color, glue your quote to the yellow square, then cut around it for a yellow border.

STEP 4

- Cut out your preferred quote from the options provided

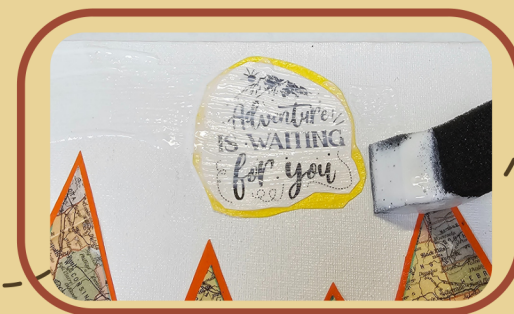

STEP 7

- Working quickly, lay out your mountains and quote on the canvas
- Suggested layout:
 - Begin with #4 on the right
 - Lay down #3 to the left and overlap #3 part way over #4
 - Lay down #2 to the left and overlap #2 part way over #3
 - Lay down #1 to the left and overlap #1 part way over #2
- Smooth down the design
- Let dry for 15-20 minutes

STEP 8

- Apply a thin coat of Modge Podge over the top of your canvas to seal your design.

STEP 9

- Allow to dry completely.
